To Whom It May Concern

It is a great pleasure to recommend and certify that **Nathanim Tadele Yewore** is professionally competent to any area of job requiring Computer Science qualification who has graduated with Honors with a B.Sc. degree in **Computer Science from Computer Science Department, College of Informatics, University of Gondar, Ethiopia**. While during his B.Sc. study in our department, he has taken several Computer Science courses in a more application oriented manner and also several supportive courses from other related enables to apply Computer Science and work flexibly in any area.

As I am Lecturer in Department of Computer Science, College of informatics, University of Gondar, I deem it a pleasure to recommend **Nathanim**, one of the outstanding students in our Department from this year graduate program. Since his enrollment into our Department with remarkable entrance scores, **Nathanim** has embodied the fine character of strong inquisition and industriousness in learning, which has gained his significant academic success during his college years. I am aware of his distinctive academic performance as reflected in his transcripts and he maintains a very top student that places him in the first top of my students when I taught him **Introduction to Artificial intelligence.**

In general, I know that **Nathanim** is polite, sociable, young energetic, hard worker and dependable and thus I would qualifiedly recommend that he can make a difference as an Computer Science professional if hired at your organization. Please feel free and don't hesitate to contact me if you have any questions at Achenef.Behulu@uog.edu.et.

I wish him success in his future endeavor!
